Training Course: Billing and Revenue Management Pipeline Pricing and Rating 7.5

Training Course code: IT234902 From: 26 - 30 July 2026 Venue: Dubai (UAE) - Training Course Fees: 5390 € Euro

Introduction

This course is designed for Pricing Developers who need to use Oracle Communications Billing and Revenue Management to implement batch pricing and rating solutions. In the Pipeline Pricing and Rating class, the students will learn how to build rate plans and test configured rate plans by rating batch EDR files. Implementation of rate plans for roaming charges is also covered. During the hands-on lab, students will learn to implement different types of rating scenarios.

Target Audience

This course is intended for:

- Analyst
- Developer
- Implementer

Training Objectives

- Translate price plans to the BRM Pricing Model
- Test price plans by rating batch EDR files
- Set up a discount model to provide discount
- Implement a rate plan for roaming scenario
- Introduce high-performance batch rating concepts
