Conference: International Trade & Shipping

Conference code: CO8149 From: 9 - 13 August 2026 Venue: Amman (Jordan) - Conference Fees: 4550 € Euro

Introduction

Global trade presents increasing complexities, demanding expertise in sourcing, quality, cost, and delivery management. This program enhances your skills in global supplier sourcing, vendor auditing, and compliance. Explore shipping options, insurance, and Incoterms to optimize operations. Learn to develop cost-efficient supply chain logistics. Gain the tools to deliver measurable value to your organization.

Objectives

- Develop cost-effective international vendor sourcing strategies
- Develop an awareness of shipping options and cost structures
- Construct effective global supply chain management strategies
- Develop appropriate risk mitigation and marine insurance strategies
- Ensure vendor compliance with international standards & CSR
- Take away specific action plans to further develop their role and organizational benefit

Target Audience:

- Procurement and supply chain managers involved in international sourcing and vendor management
- Purchasing officers and category managers responsible for global supplier selection and contracting
- Logistics, shipping, and freight management professionals
- Import/export managers and customs clearance specialists
- Operations managers overseeing international trade activities
- Compliance officers and professionals managing CSR and supplier standards
- Finance professionals involved in trade finance, cost control, and cash flow management
- Vendor development and quality assurance professionals responsible for supplier performance
- Business development and strategy professionals engaged in global expansion and sourcing decisions
- Professionals working in manufacturing, trading, oil & gas, and other industries engaged in international supply chains
