

*Training Course:
Carbon Finance*

*27 - 31 December 2026
Sharm El-Sheikh (Egypt)
Sheraton Sharm Hotel*

Training Course: Carbon Finance

Training Course code: EN234641 From: 27 - 31 December 2026 Venue: Sharm El-Sheikh (Egypt) - Sheraton Sharm Hotel
Training Course Fees: 5100 € Euro

Introduction

Carbon finance is a rapidly growing field that supports climate action by assigning financial value to greenhouse gas emission reductions. Through mechanisms such as carbon markets, carbon credits, and climate investment frameworks, organizations can manage emissions, generate revenue, and contribute to sustainability goals.

This program, designed by Global Horizon Training Center, equips participants with the knowledge and practical tools required to understand carbon finance mechanisms, participate in carbon markets, and develop strategies for low-carbon investments and emissions management.

Course Objectives

By the end of this program, participants will be able to:

- Understand the fundamentals of carbon finance and climate economics
- Identify different types of carbon markets compliance and voluntary
- Analyze carbon pricing mechanisms and carbon credit systems
- Evaluate carbon reduction projects and investment opportunities
- Understand regulatory frameworks and international agreements
- Develop strategies for carbon management and reporting
- Assess financial risks and opportunities related to climate change
- Support sustainable business and investment decisions

Target Audience

This program is designed for:

- Finance and Investment Professionals
- Sustainability and ESG Specialists
- Energy and Environmental Managers
- Policy Makers and Government Officials
- Corporate Strategy and Risk Management Professionals
- Consultants and Advisors in climate and sustainability
