Training Course: Advanced Presentation Skills

Training Course code: PS1052 From: 16 - 20 November 2026 Venue: Casablanca (Morocco) - Training Course Fees: 4725 € Euro

Introduction

Many people have a fear of presenting in public. This program is designed to take the fear and stress away from presenting by offering a series of tools and techniques that facilitate great presentations. The ability to present ideas and concepts is an increasingly valuable skill within the modern workplace; further, it is required at all levels within the organization. The ability to influence groups of people and create a momentum for action is rewarding, both for the individual and the organization. For many, the challenge is to develop the confidence to present. Whether you are a seasoned orator or a novice, you can improve your business presentation skills and enhance your personal credibility through planning, preparation, and practice.

In this five-day program delegates will practice presenting in a supportive environment and learn how to structure their materials to create engaging presentations that inform, educate, and entertain their audiences. They will learn how to use body language, the importance of tone and projection and the paramount need to make a good early impression. This course builds on existing skills and seeks to enhance performance and develop confidence by providing a structured approach combined with practice sessions and focused feedback. The program seeks to build a perception of presenting as a means for delegates to meet their professional goals and not an exercise that creates fear and apprehension.

Course Objectives

At this program's conclusion, participants will be able to make presentations that capture and hold audiences' attention - specifically, delegates will be able to:

- Identify the essential components of a presentation- who what why where when
- Be able to identify and meet the needs of the audience and organize information in a clear and concise manner
- Create an attention-grabbing introduction, a mid deliver high and a memorable exit
- Utilize mind mapping techniques to assist planning
- Learn to work from simple prompts
