Training Course: Effective Performance Management

Training Course code: MA1139 From: 22 - 26 November 2026 Venue: Sharm El-Sheikh (Egypt) - Sheraton Sharm Hotel
Training Course Fees: 4350 € Euro

Introduction

In today's results-driven environment, organizations must ensure that individual and team performance is aligned with strategic objectives. Effective performance management is essential for driving productivity, improving accountability, and achieving sustainable organizational success.

This program, developed by [Global Horizon Training Center](#), provides participants with practical tools and frameworks to design, implement, and manage performance systems that deliver measurable results. It focuses on setting clear expectations, monitoring performance, providing constructive feedback, and fostering a culture of continuous improvement.

Participants will gain the skills needed to manage performance effectively, motivate employees, and enhance organizational efficiency through structured performance management practices.

Course Objectives

By the end of this program, participants will be able to:

- Understand the principles of performance management
- Align individual and team performance with organizational goals
- Set clear objectives and performance standards
- Apply performance measurement tools and KPIs
- Conduct effective performance reviews and appraisals
- Provide constructive feedback and coaching
- Address performance gaps and improve productivity
- Foster a culture of accountability and continuous improvement
