Training Course: The Complete Course on Management & Leadership

Training Course code: LS1049 From: 9 - 20 November 2026 Venue: London (UK) - Training Course Fees: 9450 € Euro

Introduction

In today's competitive business environment, the demand for leaders and managers to be more effective and efficient is greater than ever. A successful leader must be proactive and committed to continuously improving their work behavior and decision-making processes. Leadership and management principles, though crucial, do not always come naturally and need to be learned and practiced through a process of self-study, education, training, and hands-on experience.

This comprehensive course is designed to assist leaders at all levels in enhancing their management and leadership capabilities to achieve extraordinary results. Divided into two modules—Management and Leadership—the course provides practical tools that can be immediately applied to any work environment. By improving both management and leadership skills, participants will be better equipped to contribute to organizational success and personal development.

Objectives

By the end of this program, participants will:

- Learn proven methods and cutting-edge techniques to enhance managerial performance.
- Enhance their skills and abilities, ready to be applied immediately in the workplace.
- Articulate a clear understanding of the roles of management and leadership in their organization.
- Identify best practices in management and leadership.
- Understand how management and leadership play a critical role in developing successful organizations.

Target Audience

- **Supervisors**
Individuals in supervisory roles looking to strengthen their management and leadership skills.
- **Managers**
Mid-level managers aiming to elevate their leadership capabilities and enhance team performance.
- **Team Leaders**
