Kuala Lumpur (Malaysia)*

Training Course: Fire and Life Safety

Training Course code: HE235180 From: 16 - 20 November 2026 Venue: Kuala Lumpur (Malaysia) - Training Course Fees: 6300 € Euro

Introduction:

The Fire and Life Safety program is designed to equip participants with the knowledge and skills needed to ensure safety in the workplace. Focused on fire prevention, emergency response, and compliance with safety regulations, this training covers essential areas such as evacuation procedures, fire drills, and the proper use of fire safety equipment. Participants will learn to manage fire risks, conduct safety assessments, and effectively respond during emergencies, ensuring a safe environment for all.

Objectives:

- Understand the fundamental principles of fire and life safety.
- Identify fire hazards and implement preventive measures.
- Know how to respond effectively during a fire emergency.
- Learn to use fire safety equipment such as fire extinguishers and alarms.
- Develop an emergency evacuation plan.
- Comprehend the importance of fire safety codes and regulations.
- Be able to conduct fire drills and inspections.

Target Audience:

- Facility Managers
- Safety Officers
- Building Owners
- Firefighters
- Health and Safety Personnel
- Office Employees
- Homeowners and Residents

- Anyone interested in fire and life safety
