London (UK)*

## Training Course: Foster Teamwork & Cooperation Skills

Training Course code: LS1067 From: 28 September - 2 October 2026 Venue: London (UK) - Training Course Fees: 5775 € Euro

### Introduction

The Advanced Teamwork & Cooperation Skills course is designed as a practical program for delegates to implement collaborative methods of teamwork within their organizations and leverage the innovative potential of all team members. In today's competitive business landscape, teamwork and innovation are fundamental to competitive strategy and serve as key drivers of success. Organizations must foster cooperative teamwork and innovation to thrive and remain competitive.

### Objectives

By the end of this course, participants will be able to:

- Seek input and involve others by using an empowering, collaborative approach.
- Foster collaboration among teams and individual team members and clarify the team's purpose.
- Apply a team-based approach to problem-solving when appropriate.
- Resolve conflicts and ambiguities that hinder team progress.
- Encourage collaboration across different groups, including sharing best practices and drawing on others' expertise.
- Help teams clarify their purpose, direction, and ground rules for effective teamwork.
- Discourage "we vs. they" thinking and encourage unity within teams.

### Target Audience

- **Senior Executives and Directors**  
Leaders who are responsible for fostering collaboration and innovation within their teams to gain a competitive advantage.
- **Middle and Senior Managers**  
Managers who oversee teams and want to improve team cooperation, resolve conflicts, and build high-performing teams.
- **HR and Organizational Development Professionals**  
HR leaders focused on developing and implementing team-building and collaboration strategies in the organization.
- **Project and Program Managers**  
Professionals responsible for managing cross-functional teams, leading them to work collaboratively and creatively to achieve project goals.
- **Entrepreneurs and Business Owners**  
Business owners aiming to create and manage teams that thrive on collaboration and innovation.
- **Team Leaders and Aspiring Leaders**  
Individuals seeking to enhance their leadership skills in promoting teamwork and fostering an environment

of innovation.

- **Consultants and Coaches**

Consultants helping organizations build high-performing teams, improve teamwork, and drive innovation.
