Training Course: Leading with Excellence

Training Course code: LS1059 From: 2 - 13 August 2026 Venue: Sharm El-Sheikh (Egypt) - Sheraton Sharm Hotel Training Course Fees: 6550 € Euro

Introduction

The environment of current competitive business requires an increased focus on skills in negotiating and communication for building alliances, and new processes such as planning and organizing work tasks to improve productivity. Additional skills such as delegating to empower staff to higher performance and change management also help today's modern leader create success.

Negotiation is inevitably at the heart of every process to achieve what you want or need to build an alliance or work with consultants or suppliers. At the end of each negotiation, the goal is to seek a win-win agreement. Negotiation, Persuasion and Critical Thinking are the skills covered in module one of this program.

Businesses and indeed, all organizations, find themselves needing more productive methods of planning, more appropriate goals and effective means of accomplishing work. A focus on using productive best practices allows for effective and efficient management of work and making changes in the organization. Planning and Organizing Work, and Delegating to build a strong team are the skills learned in module 2 of this program:
