Training Course:
HR Consulting Mastery

11 - 15 May 2026
Paris (France)

Training Course:
HR Consulting Mastery

Training Course code: HR234974 From: 11 - 15 May 2026 Venue: Paris (France) - Training Course Fees: 5775 Euro

Introduction:

The training program for human resources consulting is designed to equip participants with the advanced knowledge, skills, and competencies required to excel in the field of human resources consulting. The program is designed for individuals who are already working in HR, management, or consulting, as well as those who wish to transition into a career in human resources consulting.

Objectives:

The primary objectives of the training program are to:

- Enhance participants' understanding of strategic human resources management, modern HR technologies and methodologies, and HR compliance and ethics
- Develop participants' consulting skills, including problem-solving, analytical, and communication skills
- Enable participants to apply the HR consulting process and frameworks to diagnose HR issues, develop solutions, and manage HR consulting engagements
- Equip participants with the competencies required to effectively market, brand, and sell HR consulting services.

Target Audience:

The training program is ideal for:

- HR professionals who wish to enhance their consulting skills and competencies
- Management consultants who wish to specialize in human resources consulting
- Business professionals who wish to transition into a career in HR consulting
- University students or graduates who wish to gain a deep understanding of HR consulting.

Methodologies:

The training program will utilize a variety of methodologies, including:

- Lectures and presentations by industry experts

- Case studies and real-life examples of HR consulting projects
- Simulations and role-plays to enable participants to practice consulting skills and methodologies
- Group exercises and discussions to encourage collaboration and knowledge-sharing
- Consulting project assignments to enable participants to apply their learning to a real-life HR consulting project.

Competencies:

The competencies developed throughout the program include:

- Strategic HR management skills
- Advanced consulting skills, including problem-solving, analytical, and communication skills
- Project management skills for HR consulting engagements
- Understanding of modern HR technologies and methodologies, including HR analytics, HR information systems, and automation
- Understanding of HR compliance and ethics
- Business development and marketing skills to promote HR consulting services.
