Training Course: Certified Government Auditing Professional (CGAP)

Training Course code: FI2058 From: 25 - 29 October 2026 Venue: Sharm El-Sheikh (Egypt) - Sheraton Sharm Hotel
Training Course Fees: 4350 € Euro

Introduction

The Certified Government Auditing Professional certification program is designed especially for auditors working in the public sector at all levels – federal/national, state/provincial, local, quasi-governmental, or crown authority – and is an excellent professional credential that prepares you for the many challenges you face in this demanding environment.

Make CGAP be Your Key to Opportunity

Whether you are seeking a promotion, exploring a position outside your organization, or simply pursuing professional development opportunities to help you tackle increasingly complex responsibilities while preparing for future challenges, a training course can:

- Help you gain credibility and respect in the field.
- Enhance your skills and knowledge.
- Demonstrate your commitment to the profession.

The Premier Resource for Public Sector Auditors

Objectives

- Understand and apply required standards for governmental auditing
- Successfully provide a wide range of audit services in the public sector
- Use current audit methodologies and techniques in public sector audits
- Describe the government auditor's evolving role in accountability and results management.

Target Audience

- Government and public sector auditors federal, state, and local levels
- Internal auditors working in ministries, public institutions, and quasi-government entities
- Supreme Audit Institution SAI professionals
- Compliance and governance officers in the public sector
- Risk management professionals in government organizations
- Financial controllers and public sector accountants involved in audit functions
- Professionals preparing for or interested in CGAP certification
- Consultants and advisors in public sector auditing and governance

- Professionals involved in accountability, performance, and assurance services in government
