## Training Course: The Advanced Management Program

Training Course code: MA1092 From: 6 - 10 September 2026 Venue: Sharm El-Sheikh (Egypt) - Sheraton Sharm Hotel  
Training Course Fees: 4350 € Euro

### Introduction

In today's complex and rapidly evolving business landscape, senior professionals are required to go beyond traditional management practices and adopt advanced leadership, strategic thinking, and performance-driven approaches. Organizations demand leaders who can navigate uncertainty, drive innovation, and align operations with long-term strategic objectives.

This program, developed by [Global Horizon Training Center](#), is designed to enhance the capabilities of experienced managers and executives by providing advanced tools and frameworks in leadership, strategy, decision-making, and organizational performance. It focuses on integrating managerial disciplines to achieve sustainable growth, operational excellence, and competitive advantage.

Participants will gain high-level insights and practical techniques to lead transformation, optimize performance, and build resilient, high-performing organizations.

### Course Objectives

By the end of this program, participants will be able to:

- Apply advanced leadership and management principles
- Develop and execute strategic plans effectively
- Enhance decision-making in complex and uncertain environments
- Lead high-performance teams and organizational change
- Integrate financial, operational, and strategic perspectives
- Improve organizational performance and productivity
- Foster innovation and continuous improvement
- Strengthen governance, risk, and accountability practices
