Amman (Jordan)*

Training Course: Certified Community Development Plan

Training Course code: MA235099 From: 3 - 7 May 2026 Venue: Amman (Jordan) - Training Course Fees: 4200 € Euro

Introduction:

The **Certified Community Development Plan CCDP** is a comprehensive training program developed by **Global Horizon Training Center** to equip participants with the skills and knowledge needed to create and implement effective community development plans. This program addresses the unique challenges faced by communities and provides practical tools and strategies to achieve **sustainable development**.

Participants will gain hands-on experience in planning, stakeholder engagement, resource mobilization, and project management, ensuring they can drive impactful community initiatives.

Objectives:

By the end of this program, participants will be able to:

- Understand the concept and importance of community development planning
- Identify the key elements of a successful community development plan
- Conduct comprehensive community needs assessments and stakeholder analyses
- Explore effective community engagement and participation strategies
- Gain knowledge of resource mobilization and funding opportunities
- Apply project management skills to implement community development plans
- Foster networking and collaboration for future community initiatives

Target Audience:

This program is designed for:

- Community leaders and organizers
- Local government officials and policymakers
- Non-profit organization staff and volunteers
- Development practitioners and professionals
- Social workers and community development workers
- Individuals interested in promoting sustainable community development

Course Outline:

Day 1 - Introduction to Community Development Planning

- Understanding the concept of community development planning
- Importance and benefits of community development plans
