

*Training Course:
Strategic Approaches in Political Science: Theory
to Practice*

8 - 12 November 2026

Cairo (Egypt)

Holiday Inn & Suites Cairo Maadi, an IHG Hotel

Training Course: Strategic Approaches in Political Science: Theory to Practice

Training Course code: SC235611 From: 8 - 12 November 2026 Venue: Cairo (Egypt) - Holiday Inn & Suites Cairo Maadi, an IHG Hotel Training Course Fees: 4100 € Euro

Introduction:

In today's interconnected and rapidly evolving world, understanding political science and strategic decision-making is essential for professionals working in government, policy, and leadership roles. This 5-day program provides participants with practical insights into political systems, governance structures, policy development, and strategic approaches used to address contemporary global challenges.

Through interactive sessions, case studies, and practical exercises, participants will strengthen their skills in diplomacy, negotiation, conflict resolution, and policy analysis. The program equips attendees with the knowledge and strategic tools needed to interpret complex political situations, develop effective solutions, and make informed decisions in both national and international contexts.

Objectives:

- To understand core principles and theories of political science
- To explore governance structures and political institutions
- To analyze strategic frameworks within political contexts
- To enhance skills in policy development, diplomacy, and negotiation
- To study case examples of political strategies and their impacts globally

Target Audience:

- Government officials
- Policy analysts
- Political advisors
- Students and professionals in political science and international relations
