Training Course: Office Administration and Management

Training Course code: OM234894 From: 15 - 26 November 2026 Venue: Amman (Jordan) - Training Course Fees: 6350 € Euro

Introduction

This program, designed by Global Horizon Training Center, equips participants with the essential competencies required to become highly effective office administrators in modern organizations.

Office administrators play a critical role in ensuring the smooth coordination of daily operations across departments. Acting as a central link between employees and management, they are responsible for maintaining workflow efficiency, supporting communication, and reducing the operational burden on senior management. This program develops the practical, organizational, and interpersonal skills needed to manage office functions with professionalism, accuracy, and confidence.

Course Objectives

By the end of this program, participants will be able to:

- Understand the strategic importance of their role within the organization
- Apply effective techniques in managing tasks, people, and workflows
- Develop structured action plans to enhance performance
- Apply planning, organizing, and controlling principles
- Manage records, files, and documentation efficiently
- Control emotions and perform effectively under pressure
- Enhance multitasking and priority management skills
- Apply professional verbal and written communication techniques
- Organize and coordinate meetings effectively
- Handle telephone communication professionally
- Make quick and effective administrative decisions
- Build strong working relationships across departments
- Adopt a customer-centric mindset
- Identify stress factors and apply stress management techniques
- Utilize time management strategies for higher productivity
- Present and communicate information effectively
- Perform basic HR-related administrative functions
