Training Course: Strategic Change Management for HR Professionals

Training Course code: HR1026 From: 25 - 29 October 2026 Venue: Amman (Jordan) - Training Course Fees: 4200 € Euro

Introduction

This program, designed by Global Horizon Training Center, highlights the key areas of strategic change required for any world-class HR function to succeed in today's competitive and rapidly evolving business environment.

The program focuses on ten critical HR activities and introduces innovative approaches, modern tools, and strategic frameworks to maximize efficiency, effectiveness, and value creation within the HR function. Participants will gain practical insights into transforming HR from a traditional administrative role into a dynamic, business-driven function that contributes directly to organizational success.

Objectives

By the end of this program, participants will be able to:

- Prioritize HR activities and identify value-driving functions
- Maximize manpower utilization and organizational efficiency
- Develop strategic action plans that deliver measurable cost savings
- Apply modern HR strategic models and frameworks
- Utilize predictive forecasting in HR planning
- Enhance succession planning effectiveness while reducing costs
- Apply business process re-engineering techniques within HR and across the organization
- Identify and improve key HR processes to increase overall performance

Target Audience

- HR Managers and Senior HR Professionals
- Organizational Development and Change Management Specialists
- Training and Talent Development Managers
- HR Business Partners and Strategic Advisors
- Professionals involved in organizational transformation and HR strategy
