Computer Skills For Sales Professional*

*8 - 12 June 2026  
Casablanca (Morocco)*

## Training Course: Computer Skills For Sales Professional

Training Course code: SM234975 From: 8 - 12 June 2026 Venue: Casablanca (Morocco) - Training Course Fees: 4725 € Euro

### Introduction

In today's digital business environment, sales professionals must leverage computer tools and technologies to manage leads, track performance, communicate effectively, and close deals efficiently. Strong digital skills enhance productivity, improve customer relationships, and support data-driven sales strategies.

This program, designed by Global Horizon Training Center, equips participants with essential computer and digital skills tailored specifically for sales professionals, enabling them to optimize their workflow and achieve better sales results.

### Course Objectives

By the end of this program, participants will be able to:

- Utilize essential computer applications for sales activities
- Manage customer data using CRM systems
- Create professional sales reports and presentations
- Analyze sales data using Excel
- Communicate effectively using digital tools
- Use online platforms for lead generation
- Organize and automate sales processes
- Improve productivity and efficiency
