Contract Professional MBA*

*24 August - 4 September 2026  
London (UK)*

## Training Course: Contract Professional MBA

Training Course code: PC4073 From: 24 August - 4 September 2026 Venue: London (UK) - Training Course Fees: 9450 € Euro

### Introduction

In modern organizations, contracts form the backbone of all business activity. Managing contracts effectively through drafting, negotiation, and administration is no longer an optional skill; it is essential. This program equips professionals with the knowledge and practical skills to act as competent contracts specialists, particularly in international contexts. Participants will gain expertise in creating contracts, drafting clauses, negotiating terms, managing contract execution, and resolving disputes.

### Objectives

By the end of the program, participants will be able to:

- Understand the key issues behind contracts and their use in international contexts.
- Explore methods for creating contracts, including competitive tendering and innovative approaches.
- Review different contract types and drafting considerations.
- Enhance negotiation skills for both contract formation and claims resolution.
- Apply contract management techniques to maximize organizational outcomes.

### Target Audience

This program is designed for:

- Project managers, procurement and contract officers.
- Professionals involved in contract administration, negotiation, or drafting.
- Buyers, legal advisors, and financial professionals engaged in contracting processes.
- Individuals seeking advanced skills in international and complex contracting environments.

### Course Outline 10 Days
