

*Training Course:  
Contracts Administration*

*10 - 21 August 2026  
London (UK)*

## Training Course: Contracts Administration

Training Course code: PC4064 From: 10 - 21 August 2026 Venue: London (UK) - Training Course Fees: 9450 € Euro

### Introduction

Contract administration is essential for ensuring that contracted works and services are delivered according to scope, time, and quality expectations. This program equips participants with the knowledge and skills to manage contracts effectively, from implementation to project closeout, while mitigating risks and handling disputes.

### Objectives

By the end of this program, participants will be able to:

- Understand the full scope of contract administration responsibilities
- Apply contractual principles to variations, payments, and claims
- Manage insurances, bonds, and guarantees
- Communicate effectively with stakeholders regarding contractual obligations
- Apply dispute resolution methods including alternative techniques
- Conduct project closeout efficiently
- Develop actionable strategies for risk mitigation in contract performance

### Target Audience

- Contract specialists and professionals
- Contract and project coordinators
- Bid managers
- Supply chain and procurement professionals
- Contractors and subcontractors
- Cost controllers and project finance personnel
- Executives responsible for contract oversight

### Programme Outline

#### Day 1 - Fundamentals of Contract Administration

- Overview and importance of contract administration
- Role and responsibilities of the contract administrator
- Competencies required for effective contract management
- Key contract deliverables and stakeholder expectations

#### Day 2 - Implementing the Contract
