Training Course: Leadership Excellence in Maintenance Management

Training Course code: LS235493 From: 8 - 19 November 2026 Venue: Sharm El-Sheikh (Egypt) - Sheraton Sharm Hotel
Training Course Fees: 6550 € Euro

Introduction

This comprehensive training program, designed by the experts at Global Horizon Training Center, focuses on developing leadership skills specifically tailored for maintenance management. In the fast-paced world of maintenance, effective leadership is crucial to ensure operational efficiency, safety, and cost-effectiveness. This program equips maintenance managers with the tools they need to lead teams, manage resources, and implement strategies that align with organizational goals.

Objectives

By the end of this program, participants will be able to:

- Develop and implement strategic maintenance plans that improve efficiency and reduce downtime.
- Lead and motivate maintenance teams to achieve high performance.
- Apply advanced problem-solving techniques to maintenance challenges.
- Optimize resource allocation for maintenance activities.
- Ensure compliance with safety standards and regulatory requirements.
- Enhance communication and collaboration across departments.
- Drive continuous improvement in maintenance processes.

Target Audience

This program is designed for:

- Maintenance Managers and Supervisors
- Plant Managers
- Operations Managers
- Engineering Managers

- Facilities Managers
- Professionals aspiring to move into maintenance leadership roles
