Training Course: Executive Assistant and Personal Assistant (PA)

Training Course code: OM234896 From: 28 September - 2 October 2026 Venue: Baku (Azerbaijan) - Training Course
Fees: 5775 € Euro

Introduction

This program, designed by Global Horizon Training Center, provides a comprehensive pathway for developing highly competent Executive Assistants and Personal Assistants capable of operating in demanding and dynamic business environments.

The role of an Executive Assistant or PA has evolved into a strategic support function that requires advanced organizational, communication, and decision-making skills. Participants will gain practical knowledge in managing executive priorities, coordinating complex tasks, handling confidential information, and representing management professionally.

Through a combination of practical exercises, real-world scenarios, and interactive learning, this program equips participants with the tools to enhance productivity, improve coordination, and become indispensable partners to senior management.

Objectives

By the end of this program, participants will be able to:

- Support executives and senior managers effectively
- Apply proactive problem-solving and decision-making techniques
- Manage multiple tasks with strong organizational skills
- Prioritize work using effective time management methods
- Represent executives professionally in internal and external interactions
- Align working styles with managerial expectations
- Balance independent decision-making with escalation when required
- Manage stress and workload efficiently
- Organize meetings, travel, and executive schedules
- Apply professional communication and business writing skills
- Develop presentation and reporting capabilities
- Manage conflicts effectively
- Understand corporate behavior and professional conduct
- Utilize modern technologies relevant to executive support
- Apply protocol, etiquette, and diplomacy principles
