Training Course: Enhancing the Skills of Training Coordinators

Training Course code: HR3037 From: 27 September - 1 October 2026 Venue: Sharm El-Sheikh (Egypt) - Sheraton Sharm Hotel Training Course Fees: 4350 € Euro

Introduction

Training Coordinators are no longer confined to logistical support—they are increasingly expected to ensure that training initiatives **directly address performance gaps and contribute to measurable business outcomes**. This shift requires a deeper understanding of Training & Development T&D strategy, learning methodologies, and evaluation frameworks.

The **Enhancing the Skills of Training Coordinators** program is designed to elevate the role from administrative coordination to **performance-driven training facilitation and strategic support**. Participants will acquire the tools and techniques necessary to align training with business needs, influence stakeholders, and ensure that learning interventions deliver tangible results.

The program integrates **training cycle mastery, learning design principles, evaluation techniques, and performance analysis**, enabling participants to operate as proactive contributors to organizational capability development.

Program Objectives

By the end of this program, participants will be able to:

- Analyze the contribution of Training & Development to organizational performance
- Reposition training functions using a **measurable and results-driven approach**
- Develop a comprehensive competency profile for Training Coordinators
- Apply advanced Training Needs Analysis TNA techniques
- Utilize a **4-quadrant performance analysis model** to diagnose performance gaps
- Implement the full **10-step training cycle effectively**
- Design and apply validation and evaluation methodologies
- Develop actionable training plans aligned with business priorities
