Training Course: Mergers & Acquisitions Strategies and Due Diligence Process

Training Course code: FI9157 From: 22 November - 3 December 2026 Venue: Sharm El-Sheikh (Egypt) - Sheraton Sharm Hotel Training Course Fees: 4350 € Euro

Introduction

This program provides a comprehensive and structured approach to mergers, acquisitions, joint ventures, and partnership evaluation and negotiation. It is designed to equip participants with practical, cross-functional insights into the full deal lifecycle, including strategic assessment, valuation, due diligence, and integration considerations.

The program emphasizes a multi-disciplinary perspective covering financial, operational, legal, and human resource aspects of transactions, enabling participants to evaluate opportunities effectively and mitigate associated risks.

Through practical frameworks, checklists, and real-world case applications, participants will develop the ability to analyze potential partners, assess value creation opportunities, and make informed strategic decisions in both domestic and cross-border transactions.

Objectives

By the end of this program, participants will be able to:

- Understand the strategic rationale behind mergers, acquisitions, joint ventures, and partnerships
- Conduct comprehensive due diligence across financial, operational, legal, and HR dimensions
- Evaluate business opportunities in terms of value creation and strategic fit
- Identify risks and challenges associated with transactions, including cross-border complexities
- Analyze financial statements and verify key assumptions in deal evaluation
- Apply structured methodologies for valuation under both certainty and uncertainty
- Support negotiation and decision-making processes with data-driven insights
- Develop and use due diligence tools and checklists effectively
