Training Course: Effective Performance Management

Training Course code: HR3010 From: 6 - 10 December 2026 Venue: Sharm El-Sheikh (Egypt) - Sheraton Sharm Hotel
Training Course Fees: 4350 € Euro

Introduction

This program, designed by Global Horizon Training Center, provides a comprehensive framework for designing and implementing **effective performance management systems** that drive organizational success.

A well-structured performance management process goes beyond appraisal—it integrates objective setting, continuous feedback, coaching, development, and reward systems. This course demonstrates how these components interconnect and how both HR professionals and line managers contribute to achieving high performance.

The program combines **theoretical foundations with practical application**, ensuring that participants not only understand performance management concepts but also develop the skills required to implement them effectively. Daily workshops reinforce learning through hands-on practice, enabling participants to confidently manage performance in real workplace scenarios, including multicultural environments.

Objectives

By the end of this program, participants will be able to:

- Understand performance management within multicultural work environments
- Explain the organizational and individual purposes of performance management
- Apply the four key stages of performance management effectively
- Develop skills in objective setting, feedback, coaching, and appraisal
- Address and improve employee performance issues using best practices
- Link performance management systems to corporate strategy
- Enhance employee engagement and productivity through structured performance processes

Target Audience

- HR Managers and HR Professionals
- Line Managers, Supervisors, and Team Leaders
