Training Course: Finance and Accounting for Office Administrators & Secretaries

Training Course code: OM8163 From: 21 - 25 December 2026 Venue: Singapore - Training Course Fees: 6250 € Euro

Introduction

This program, designed by Global Horizon Training Center, provides a practical and structured introduction to finance and accounting for professionals with no prior background in the field.

It equips participants with essential financial knowledge required to effectively support administrative and operational functions. The course focuses on understanding key financial terminology, basic accounting principles, and how financial information is recorded, analyzed, and used in decision-making. Through practical examples and exercises, participants will gain the confidence to contribute to financial discussions and support business processes more effectively.

Objectives

Participants attending the program will:

- Understand the role of finance and accounting within the organization
- Become familiar with key financial and accounting terminology
- Apply basic accounting principles to routine business transactions
- Prepare and interpret simple financial statements
- Analyze financial performance using basic ratios
- Understand cost concepts and their impact on business efficiency
- Apply budgeting techniques to support organizational planning

Target Audience

- Office Administrators
- Executive Secretaries and Personal Assistants
- Administrative Staff supporting finance departments
- Non-finance professionals seeking financial literacy
- Anyone involved in administrative or operational support roles

Training Program Outline
