

*Training Course:
Marine Security Management and Control as per
ISPS Code*

18 - 22 October 2026

Cairo (Egypt)

Holiday Inn & Suites Cairo Maadi, an IHG Hotel

Training Course: Marine Security Management and Control as per ISPS Code

Training Course code: MM7004 From: 18 - 22 October 2026 Venue: Cairo (Egypt) - Holiday Inn & Suites Cairo Maadi, an IHG Hotel Training Course Fees: 4410 € Euro

Introduction

Maritime security has become a critical priority in safeguarding global trade, port operations, and shipping activities against evolving threats such as terrorism, piracy, smuggling, and unauthorized access. The [International Ship and Port Facility Security ISPS Code](#), developed by the [International Maritime Organization IMO](#), provides a comprehensive framework to enhance maritime security worldwide.

This program, developed by [Global Horizon Training Center](#), equips participants with advanced knowledge and practical skills in managing and controlling marine security in compliance with the ISPS Code. It focuses on risk assessment, security planning, operational control, incident response, and coordination between ships, ports, and regulatory authorities.

Participants will gain the expertise required to implement effective security measures, maintain compliance, and enhance resilience against maritime security threats.

Course Objectives

By the end of this program, participants will be able to:

- Understand the principles and requirements of the ISPS Code
- Identify and assess maritime security threats and vulnerabilities
- Develop and implement security management systems
- Apply access control and monitoring procedures
- Manage security operations and response strategies
- Coordinate effectively with SSO, CSO, PFSO, and authorities
- Ensure compliance with international maritime security regulations
- Improve security performance through continuous monitoring and evaluation

Target Audience

This program is designed for:

- Maritime Security Managers and Officers
- Port and Terminal Managers
- Ship Security Officers SSO
- Port Facility Security Officers PFSO
- Government and Maritime Authority Personnel
- Professionals responsible for ISPS implementation and compliance
