

*Training Course:
ISO 9001:2015 Quality Management Systems*

*9 - 13 November 2026
London (UK)*

Training Course: ISO 9001:2015 Quality Management Systems

Training Course code: MA235204 From: 9 - 13 November 2026 Venue: London (UK) - Training Course Fees: 5775 € Euro

Introduction:

This training program is designed according to the latest standards and the requirements of the [International Standard for Quality Management Systems ISO 9001](#).

Adopting a quality management system is a [strategic decision](#) that enables organizations to enhance overall performance and provides a solid foundation for sustainable development initiatives.

Key Benefits of Implementing ISO 9001:

- Consistently provide products and services that meet customer, statutory, and regulatory requirements
- Facilitate opportunities to enhance customer satisfaction
- Address risks and opportunities related to the organization's context and objectives
- Demonstrate conformity to specified quality management system requirements

Objectives:

By the end of this training program, participants will gain knowledge in:

- Quality management principles described in [ISO 9000](#)
- Understanding and consistently meeting requirements
- Considering processes in terms of added value
- Achieving effective process performance
- Improving processes based on evaluation of data and information
- Applying the concept of [risk-based thinking](#)
- Understanding the relationship with other management system standards

Target Audience:

This program is suitable for:

- Quality managers and quality assurance professionals
- Mid to senior-level managers involved in organizational process improvement
- Team leaders responsible for operational excellence
