Doha (Qatar)*

Training Course: Customer Service Excellence

Training Course code: RR5003 From: 1 - 5 November 2026 Venue: Doha (Qatar) - Training Course Fees: 4725 € Euro

Introduction

Customer service excellence is vital for business growth, driving customer loyalty and positive referrals. Modern organizations focus on providing differentiated experiences to stand out from competitors. Excellence involves exceeding customer expectations through a deliberate, customer-focused strategy. This program teaches core practices and skills for delivering world-class service and retaining profitable customers. Participants will learn to integrate key factors that attract and motivate both customers and staff.

Objectives

- Read well the needs of the customers and come up with propositions to meet those needs
- Maintain a sustainable long-lasting relationship with its customer base
- Exceed customer expectations by designing personalized experiences for the customer
- Find innovative ways to add value for the customer through customer service
- Develop a better communication channel with customers that provide for an effective feedback system and follow-up
- Recognize customer complaints as a way to improve their functioning
- Develop an efficient way to measure customer service excellence and evaluate the performance of the sales workforce
- Enhance sales and marketing of the company and ensure business growth
- Reduce price sensitivity of customers as loyal customers are willing to pay more for the same product and service
