Conference: Advanced Customer Service Management

Conference code: CO8073 From: 26 - 30 October 2026 Venue: London (UK) - Conference Fees: 6300 € Euro

Introduction

This highly interactive program focuses on delivering customer service excellence by building strong, lasting relationships with customers through effective communication, emotional intelligence, and influencing skills. Participants will learn how to understand customer needs, build trust and rapport, manage challenging situations professionally, and use practical NLP techniques to enhance customer interactions and long-term

Objectives

- The art of building lasting rapport and lasting relationships with colleagues, customers, and friends
- How to modify your behavior to match others
- The model for establishing good working relationships
- An ability to influence with integrity
- An ability to use influencing skills and techniques to build ongoing and long-term relationships with key customers
- To be able to create and adapt crystal clear models for communication between your organization and its customers
- How to build cooperation and commitment
- A greater understanding of your customer's needs and how to satisfy them
- An ability to tailor services to meet your customer's needs
- Long-term relationships between your organization and its customers
- An ability to be more versatile in every customer-facing the situation
- The ability to recognize behaviors that may cause conflict in the future, enabling you to defuse awkward, and sometimes critical, confrontations with colleagues and customers alike

Target Audience

- Customer Service and Customer Experience Professionals
- Frontline Customer Support Staff
- Sales and Account Management Professionals
- Call Center and Contact Center Teams
- Client Relationship and Business Development Managers
- Hospitality and Service Industry Professionals
- Team Leaders and Supervisors managing customer-facing teams
- HR and Training Professionals involved in customer service development
- Professionals seeking to improve communication, influence, and relationship-building skills
- Organizations aiming to enhance customer satisfaction, loyalty, and service excellence
