## Conference: Financial Skills for HR Professionals

Conference code: CO8246 From: 4 - 8 October 2026 Venue: Cairo (Egypt) - Holiday Inn & Suites Cairo Maadi, an IHG Hotel Conference Fees: 4100 € Euro

### Introduction

This program highlights the important role of the HR department in organizational planning, budgeting, and financial decision-making. It provides HR professionals with practical knowledge of financial analysis, budgeting, cost management, and HR performance measurement. Through practical exercises and case studies, participants will learn how to prepare HR budgets, analyze financial information, and support effective business decisions aligned with organizational goals.

### Objectives

By the end of this program, participants will be able to:

- Understand the relationship between company objectives and financial performance
- Read, interpret, and analyze financial statements
- Apply discounted cash flow DCF techniques in financial decision-making
- Differentiate between fixed, variable, and overhead costs
- Use budgeting and forecasting techniques effectively
- Apply cost/volume/profit CVP and break-even analysis
- Understand the role of HR in the organizational budget process
- Prepare and manage a comprehensive HR department budget
- Measure HR performance using financial and non-financial indicators
- Apply budgetary control and variance analysis techniques
- Evaluate capital investment projects using financial appraisal methods
- Improve communication with finance professionals and other departments

### Target Audience

This program is designed for:

- HR Managers and HR Business Partners
- HR Officers and HR Specialists
