Amman (Jordan)*

Training Course: Agile Auditing

Training Course code: MA235509 From: 19 - 23 July 2026 Venue: Amman (Jordan) - Training Course Fees: 4200 € Euro

Introduction

The Agile Auditing training program is meticulously designed by the [Global Horizon Training Center](#) to equip professionals with the skills and knowledge needed to implement agile methodologies in the auditing process. Agile Auditing blends traditional auditing principles with agile practices, enabling organizations to respond swiftly to changes, increase collaboration, and improve the overall efficiency and effectiveness of audits.

Objectives

By the end of this training, participants will be able to:

- Understand the principles of Agile Auditing and its benefits compared to traditional auditing methods.
- Implement Agile practices in the auditing process, including planning, executing, and reporting.
- Foster collaboration between audit teams and other stakeholders.
- Enhance the adaptability of the auditing process to meet organizational changes and risks.
- Utilize tools and techniques that support Agile Auditing practices.
- Drive continuous improvement in auditing processes through iterative feedback and learning loops.

Target Audience

This training is ideal for:

- Internal and external auditors seeking to modernize their audit practices.
- Audit managers and leaders responsible for overseeing audit processes.
- Risk management professionals looking to integrate agile methodologies into their practices.
- Compliance officers and professionals involved in regulatory audits.
- Consultants and advisors who support organizations in optimizing their audit functions.
