Training Course: Leadership Strategic Skills, Planning and Crisis Management

Training Course code: LS12335 From: 22 - 26 June 2026 Venue: Cape Town (South Africa) - DoubleTree by Hilton Cape Town - Upper Eastside Training Course Fees: 6350 € Euro

Introduction

In today's rapidly changing business environment, organizations are continuously challenged by globalization, economic uncertainty, technological advancement, operational disruptions, and financial crises. Organizations that fail to adapt strategically to these changes risk losing competitiveness, stability, and long-term sustainability.

The Leadership Strategic Skills, Planning and Crisis Management program is designed to equip leaders and managers with the strategic thinking, planning, leadership, and crisis management skills needed to lead organizations successfully during periods of uncertainty and transformation. The program focuses on change management, stakeholder engagement, strategic analysis, organizational readiness, communication, and leadership effectiveness.

Participants will gain practical tools and modern frameworks to manage change initiatives, respond effectively to crises, improve organizational resilience, and lead teams confidently through challenging environments.

Course Objectives

By the end of this training program, participants will be able to:

- Understand the strategic drivers and business need for change.
- Apply strategic planning and analytical tools effectively.
- Prepare organizations and teams for change and crisis situations.
- Understand employee reactions to change and manage resistance professionally.
- Lead organizational transformation and crisis management initiatives.
- Improve stakeholder engagement and communication strategies.
- Apply leadership techniques to manage uncertainty and organizational disruption.
- Build organizational resilience and adaptability.
- Develop practical action plans for managing change and crises successfully.
