Training Course: The Relationship Between Compliance and Legal Department in The Organization

Training Course code: PC234698 From: 27 - 31 December 2026 Venue: Sharm El-Sheikh (Egypt) - Sheraton Sharm Hotel
Training Course Fees: 4350 € Euro

Introduction

This course explores the complexity of challenges faced by compliance officers and managers due to evolving regulations, dynamic business environments, and emerging risk scenarios. Participants will learn, practice, and assess best-practice recommendations for the role of Legal and Compliance Officers, emphasizing statutory, regulatory, and organizational compliance, as well as ensuring staff are appropriately trained.

Course Objectives

By the end of this training, participants will be able to:

- Understand the role and responsibilities of the compliance function, including Compliance Officer roles and necessary skills.
- Develop and implement effective compliance policies and procedures.
- Understand key legislation and ethical requirements relevant to the compliance function.
- Appreciate the relationship between the compliance department and the legal affairs department.
- Identify and manage key risk areas, including:
 - Money laundering
 - Cybercrime
 - Bribery and corruption
 - Data protection breaches
 - Financial services regulations

Target Audience

- Compliance Officers and employees
- Risk Managers
- Compliance Managers, Associates, and Analysts
- Contract Executives and Managers
- Staff with responsibilities related to legal compliance

This program is suitable for anyone in a compliance or risk management role, as well as individuals seeking a thorough understanding of organizational compliance principles.
