Conference: Job Evaluation & Analysis (Certified Job Analyst)

Conference code: CO8167 From: 27 - 31 December 2026 Venue: Manama (Bahrain) - Conference Fees: 5150 € Euro

Introduction

Success in the business world begins with applying discipline to your life and actions, fostering personal effectiveness and professional excellence. As S. N. Bremer emphasized, self-mastery is the cornerstone of self-development, and Aldous Huxley highlighted that improving yourself transforms your universe. Your self-image acts as a blueprint, shaping your actions and achievements, as Denis Waitley noted, emphasizing the power of internal growth over external circumstances. This conference aims to instill discipline, positivity, and motivation to help you unlock your full potential and achieve success.

Objectives

- Understand job analysis and evaluation techniques
- Understand the stages involved in a job analysis and job evaluation project
- Undertake and apply a variety of techniques to analyze and evaluate specific jobs
- Apply the results of job evaluation to design and develop a pay and grading structure
- Develop and apply different compensation systems to pay and grading structures to reflect organizational culture.
- Examine different ways to implement the above processes

Target Audience

- HR managers, compensation and benefits specialists, and reward management professionals
- Job evaluation analysts and HR analysts involved in grading and pay structures
- Organizational development and HR policy professionals
- Line managers and supervisors involved in job analysis and role design
- Compensation consultants and HR consultants specializing in reward systems
- Talent management and workforce planning professionals
- Senior HR executives responsible for pay strategy and organizational structure
- Public sector HR professionals managing grading and classification systems
- Recruitment and selection professionals involved in job profiling and role definition
- Anyone involved in designing, implementing, or maintaining job evaluation and compensation frameworks
