Training Course: Mastering Marketing: The Comprehensive Diploma Program in Communications and Media Planning

Training Course code: SM1981 From: 28 September - 2 October 2026 Venue: Kigali (Rwanda) - Training Course Fees: 6350 € Euro

Introduction

Modern marketing requires a strategic integration of communication, media planning, digital channels, and data-driven decision-making. Organizations must effectively deliver the right message to the right audience through the right channels to maximize impact and return on investment.

This comprehensive diploma program, designed by Global Horizon Training Center, equips participants with advanced marketing knowledge, communication strategies, and media planning expertise to design, execute, and optimize integrated marketing campaigns across traditional and digital platforms.

Course Objectives

By the end of this program, participants will be able to:

- Develop integrated marketing communication IMC strategies
- Plan and execute effective media campaigns
- Analyze target audiences and consumer behavior
- Allocate budgets and optimize media spend
- Utilize digital marketing channels and tools
- Measure campaign performance and ROI
- Create compelling communication strategies
- Align marketing efforts with business objectives
