Training Course code: SC235676 From: 8 - 12 November 2026 Venue: Cairo (Egypt) - Holiday Inn & Suites Cairo Maadi, an IHG Hotel Training Course Fees: 4100 € Euro

Introduction

The supply chain plays a vital role in ensuring the smooth flow of goods and services from suppliers to end customers. In today's globalized and digitally driven economy, supply chain management has become a strategic function that directly impacts efficiency, cost, and competitive advantage.

The Certified Supply Chain Professional program by Global Horizon Training Center provides a comprehensive understanding of end-to-end supply chain processes, including procurement, production, logistics, distribution, and customer service. The program focuses on improving operational efficiency, enhancing coordination, and applying modern tools and technologies in supply chain management.

Through practical case studies and real-world applications, participants will gain the skills needed to optimize supply chain performance, manage risks, and support business continuity in dynamic and complex environments.
