Training Course: The 5-day Oil and Gas MBA

Training Course code: EN6015 From: 4 - 8 October 2026 Venue: Istanbul (Turkey) - DoubleTree by Hilton Istanbul Esentepe Training Course Fees: 6825 € Euro

Introduction

The oil and gas industry operates within a complex global environment shaped by market volatility, geopolitical factors, technological advancements, and the ongoing energy transition. Professionals in this sector must combine technical understanding with strong business acumen to drive performance and strategic growth.

This MBA-level program, designed by Global Horizon Training Center, provides a condensed yet comprehensive business education tailored specifically to the oil and gas industry, focusing on strategy, finance, operations, and leadership to enhance executive decision-making.

Course Objectives

By the end of this program, participants will be able to:

- Understand the oil and gas value chain and market dynamics
- Apply strategic management principles in energy businesses
- Analyze financial performance and investment opportunities
- Manage operations and projects efficiently
- Evaluate risks and uncertainties in oil and gas markets
- Lead teams and improve organizational performance
- Integrate technical and business decision-making
- Enhance profitability and competitive advantage

Target Audience

This program is designed for:

- Mid to Senior-Level Oil & Gas Professionals
- Engineers transitioning into management roles
- Project and Operations Managers
