Training Course: Sales & Marketing Strategies

Training Course code: SM8129 From: 7 - 11 December 2026 Venue: Geneva (Switzerland) - Training Course Fees: 6050
€ Euro

Introduction

This training program is designed by [Global Horizon Training Center](#) to equip professionals with the essential skills and strategies required to excel in both sales and marketing within today's fast-paced and competitive business environment.

Successful organizations differentiate themselves through their ability to effectively market and sell their products and services. This dynamic and highly interactive program combines proven sales techniques, modern marketing strategies, and practical tools to help participants improve performance, build strong customer relationships, and consistently achieve targets.

Through case studies, real-world examples, and engaging exercises, participants will gain a deep understanding of the psychology of selling, customer behavior, branding, and digital marketing—enabling them to operate with confidence and effectiveness.

Course Objectives

By the end of this program, participants will be able to:

- Understand and apply the full sales cycle effectively
- Identify characteristics and habits of successful sales professionals
- Generate new leads and expand client networks
- Plan and set achievable sales and marketing targets
- Apply effective communication, questioning, and listening skills
- Build rapport and manage different customer personalities
- Handle objections and close sales successfully
- Utilize negotiation techniques to achieve win-win outcomes
- Apply marketing and branding strategies to support sales growth
- Leverage digital marketing and SEO techniques
- Improve time management, focus, and productivity
- Develop a winning mindset and overcome limiting beliefs
