## Training Course: Management of Financial Audit

Training Course code: MA2050 From: 15 - 19 June 2026 Venue: Cape Town (South Africa) - DoubleTree by Hilton Cape Town - Upper Eastside Training Course Fees: 6350 € Euro

### Introduction

Effective financial audit management is essential for ensuring transparency, accountability, and compliance within organizations. In an increasingly complex regulatory environment, organizations must adopt structured audit practices to safeguard financial integrity and support informed decision-making.

This program, developed by [Global Horizon Training Center](#), provides participants with a comprehensive understanding of financial audit management, including planning, execution, reporting, and follow-up. It equips professionals with the tools and techniques required to manage audit processes effectively, assess risks, ensure compliance, and improve internal controls.

### Course Objectives

By the end of this program, participants will be able to:

- Understand the principles and objectives of financial auditing
- Plan and manage financial audit engagements effectively
- Evaluate internal controls and identify financial risks
- Apply audit methodologies and procedures
- Analyze financial statements and audit evidence
- Ensure compliance with accounting standards and regulations
- Prepare and present audit reports
- Implement audit recommendations and follow-up actions
- Enhance governance and financial transparency

### Target Audience

This program is designed for:

- Internal and External Auditors
- Finance and Accounting Professionals
- Audit Managers and Supervisors
- Risk and Compliance Professionals
- Controllers and Financial Managers
- Professionals involved in financial reporting and governance
