Amman (Jordan)*

## Training Course: Implementing Good Management Practices in your Work and Organization

Training Course code: MA9292 From: 13 - 17 December 2026 Venue: Amman (Jordan) - Training Course Fees: 4200 € Euro

### Introduction

Effective management practices are essential for achieving organizational goals, enhancing productivity, and ensuring sustainable performance. In today's dynamic and competitive environment, organizations must adopt structured and proven management approaches to improve efficiency, strengthen decision-making, and drive continuous improvement.

This program, developed by [Global Horizon Training Center](#), provides participants with practical frameworks and tools to implement good management practices across their work and organizational processes. It focuses on improving planning, execution, communication, and performance management to ensure alignment with strategic objectives.

Participants will gain the skills needed to enhance operational effectiveness, foster teamwork, and create a culture of accountability and excellence.

### Course Objectives

By the end of this program, participants will be able to:

- Understand the principles of effective management practices
- Apply structured approaches to planning and organizing work
- Improve decision-making and problem-solving capabilities
- Enhance communication and coordination within teams
- Implement performance management and monitoring systems
- Promote accountability and continuous improvement
- Manage change and improve organizational effectiveness
- Strengthen leadership and team management skills

### Target Audience

This program is designed for:

- Managers and Supervisors
- Team Leaders and Department Heads
- Project and Program Managers
