Manama (Bahrain)*

## Training Course: Achieving Creative Entrepreneurship, and Leadership

Training Course code: LS235060 From: 21 - 25 June 2026 Venue: Manama (Bahrain) - Training Course Fees: 4725 € Euro

### Introduction:

In today's information-driven world, with rapid technological advancements, managing and utilizing information effectively has become a key challenge. The modern digital age has transformed how we organize, classify, and access information. Information and communication technologies have penetrated every social, scientific, and human domain, becoming fundamental to maximizing human potential. Leaders who can harness the power of information, technology, and creativity will be the drivers of innovation and administrative excellence. This programme focuses on developing creative leadership skills to inspire change, foster innovation, and lead organizations to success.

### Objectives:

By the end of this training program, participants will be able to:

1. Enhance Creative Leadership Skills: Develop the ability to inspire, motivate, and lead with creativity.
2. Improve Creative Thinking: Sharpen creative thinking and innovation capabilities.
3. Achieve Creative Leadership in Practice: Learn how to apply creative leadership techniques to real-world challenges.
4. Adapt to Change: Improve the ability to deal with changes and challenges in dynamic work environments.
5. Promote Teamwork: Cultivate collaboration and cooperative behaviors within teams.
6. Leverage Technology: Understand the role of technology and the information revolution in fostering innovation and excellence.

### Target Audience:

- Department Managers: Individuals who oversee departments and are responsible for achieving organizational goals.
- Assistant Managers: Those supporting managerial roles and looking to improve leadership and creative thinking skills.
- Executive and Advisory Roles: Individuals in executive, advisory, and decision-making positions.
- Administrative Officials: Professionals responsible for administrative functions in various departments and locations.
- Heads of Departments: Senior leaders responsible for strategic direction and decision-making in organizations.
- Anyone Seeking Personal and Professional Growth: Individuals interested in developing their leadership skills and adapting to the rapidly changing business landscape.
