The Complete Course on Project Management*

*29 June - 10 July 2026  
London (UK)*

## Training Course: The Complete Course on Project Management

Training Course code: PC234667 From: 29 June - 10 July 2026 Venue: London (UK) - Training Course Fees: 9450 € Euro

### Introduction

This intensive 10-day course offers complete guidance for managing all types of projects that include the complexity of commercial and business relationships. The course explores how to ensure projects deliver outcomes that are client-focused, contractually appropriate and organizationally relevant.

This course covers key aspects of project definition, planning, control, and handover to ensure relevant quality within time, budget, and resource constraints. It explores in detail what a contract does and does not require each party to the contract to do, and the consequences for both parties of any failure. It also tackles team leadership, stakeholder management, and project communication.

### Course Objectives

- Develop project plans focused on delivering sustainable benefits
- Lead project teams in the use of contracts and delivery of projects
- Manage relationships with project stakeholders and contractual partners
- Improve their understanding of the role of contracts within a business
- Apply the latest international thinking in dispute resolution

### Target Audience

- Planning theory and application
- Risk analysis & management
- Cost estimating
- Budgeting
- Performance management
- Project progress reporting
