Training Course: Advanced Sales Planning and Strategy

Training Course code: SM234966 From: 20 - 24 September 2026 Venue: Manama (Bahrain) - Training Course Fees: 4725
€ Euro

Introduction

In a competitive and fast-changing market, effective sales planning and strategy are critical for achieving revenue targets, optimizing resources, and sustaining business growth. Organizations must align sales activities with overall business objectives while leveraging data, market insights, and structured planning frameworks.

This program, designed by Global Horizon Training Center, equips participants with advanced tools, frameworks, and practical techniques to develop, implement, and optimize sales strategies that drive performance and competitive advantage.

Course Objectives

By the end of this program, participants will be able to:

- Develop comprehensive sales plans aligned with business strategy
- Analyze markets, customers, and competitive landscapes
- Set realistic sales targets and KPIs
- Design effective sales strategies and models
- Optimize sales processes and pipelines
- Allocate resources and manage territories efficiently
- Use data and analytics for decision-making
- Improve revenue growth and sales performance
