Training Course: Facilitation Certificate in Training and Development

Training Course code: HR235524 From: 25 - 29 May 2026 Venue: London (UK) - Training Course Fees: 5775 € Euro

Introduction

This program is designed by [Global Horizon Training Center](#) to develop advanced [facilitation capabilities](#) for professionals who deliver training, lead workshops, or manage group learning environments.

In modern organizations, effective learning is no longer about content delivery alone—it is about [creating engaging, learner-centered experiences](#) that drive participation, retention, and real-world application. The facilitator plays a critical role in shaping this experience by guiding discussions, managing group dynamics, and enabling collaborative learning.

This 5-day program focuses on [adult learning principles](#), [facilitation techniques](#), [group dynamics](#), and [digital tools](#), equipping participants with a complete toolkit to deliver impactful training—both in-person and virtually. Through hands-on practice, simulations, and feedback, participants will gain the confidence and competence to lead high-quality learning sessions.

Program Objectives

By the end of this program, participants will be able to:

- Apply adult learning principles in training environments
- Design and deliver engaging, facilitation-based training sessions
- Use a variety of facilitation tools and interactive techniques
- Manage group dynamics and handle challenging situations
- Facilitate both in-person and virtual learning effectively
- Evaluate training effectiveness and improve facilitation performance
