Training Course: Mastering Marketing and Communications

Training Course code: SM235024 From: 17 - 28 August 2026 Venue: Kigali (Rwanda) - Training Course Fees: 9700 € Euro

Introduction

In a highly competitive and digitally driven marketplace, organizations must integrate marketing and communications to build strong brands, engage audiences effectively, and achieve measurable business results. Success requires a blend of strategic thinking, creative execution, data analysis, and digital expertise.

This advanced 10-day program, designed by Global Horizon Training Center, equips participants with comprehensive knowledge and practical tools to design, implement, and optimize integrated marketing and communication strategies across traditional and digital channels.

Course Objectives

By the end of this program, participants will be able to:

- Develop integrated marketing and communication strategies
- Analyze markets, audiences, and consumer behavior
- Build strong brand identity and messaging
- Design and execute multi-channel campaigns
- Utilize digital marketing tools and platforms effectively
- Measure performance and optimize campaigns using data
- Manage communication across internal and external stakeholders
- Drive engagement, visibility, and business growth
