Training Course: The Sales & Marketing Management MBA

Training Course code: SM5009 From: 15 - 19 November 2026 Venue: Amman (Jordan) - Training Course Fees: 4200 € Euro

Introduction

This training program is designed by [Global Horizon Training Center](#) to provide a comprehensive and advanced understanding of sales and marketing management, combining strategic insight with practical execution.

In today's competitive marketplace, organizations that succeed are those capable of building powerful brands, understanding customer behavior, and executing effective marketing and sales strategies. This program adopts a structured and systematic approach to help participants master the full marketing and sales management cycle—from analysis and planning to execution and performance optimization.

Through real-world examples and proven frameworks, participants will understand how leading global brands create value and command premium positioning. The program integrates sales leadership, marketing strategy, and brand management to deliver measurable business impact.

Course Objectives

By the end of this program, participants will be able to:

- Recruit, develop, and manage high-performing sales teams
- Apply effective leadership, coaching, and motivation techniques
- Understand and implement the full marketing model
- Develop and execute comprehensive marketing strategies
- Conduct strategic market audits and research
- Apply segmentation, targeting, and positioning STP frameworks
- Manage brands and product portfolios effectively
- Align marketing and sales functions for optimal performance
- Design and implement tactical marketing plans
