Training Course: Organizational and Public Sector, Analysis, Implementing Initiatives & Improvement

Training Course code: MA234742 From: 13 - 17 September 2026 Venue: Manama (Bahrain) - Training Course Fees: 4725
€ Euro

Introduction

Organizations are dynamic systems that continuously adapt to internal and external changes. The [Organizational Development and Public Sector Transformation](#) program is designed to help participants analyze organizational performance, understand stakeholder dynamics, and implement effective change initiatives.

This program focuses on strengthening organizational sustainability, improving productivity, and enhancing the ability of public sector institutions to respond to evolving demands through structured analysis, strategic interventions, and performance measurement.

Course Objectives

By the end of this program, participants will be able to:

- Understand organizational analysis and development concepts in the public sector
- Design and implement effective organizational change processes
- Engage stakeholders through structured multi-stakeholder approaches
- Measure and evaluate organizational change and performance
- Assess resource utilization and organizational efficiency
- Identify productivity improvement opportunities
- Align productivity with strategic organizational goals
- Implement and monitor improvement initiatives effectively

Target Audience

This program is designed for:

- Executive Management and Directors
- Public Sector Leaders and Decision Makers
- Organizational Development Professionals
- Managers involved in change and transformation initiatives
- Professionals seeking to enhance organizational performance and sustainability
