Training Course: The HR Management MBA

Training Course code: HR3043 From: 20 - 31 July 2026 Venue: Paris (France) - Training Course Fees: 9450 € Euro

Introduction

In today's rapidly evolving global economy, Human Resources has transitioned from an administrative function into a **core strategic partner** that directly influences organizational performance, competitiveness, and sustainability. Emerging business models, digital transformation, and international HR frameworks require HR leaders to operate in full alignment with corporate strategy and value creation.

The **HR Management MBA**, designed by **Global Horizon Training Center**, is a comprehensive executive-level program that equips participants with advanced capabilities in **strategic HR leadership, organizational transformation, and performance optimization**. This program integrates modern management theories, global HR models, and applied leadership practices to enable participants to **drive change, enhance workforce productivity, and deliver measurable business impact**.

Participants will explore how to build high-performance teams, implement strategic planning methodologies, apply global excellence frameworks, and utilize advanced HR analytics and measurement tools. The program emphasizes **practical application**, ensuring participants leave with actionable strategies that can be immediately deployed within their organizations.
