Training Course: Advanced Financial and Administrative Management for General Managers

Training Course code: FI235681 From: 22 - 26 June 2026 Venue: Geneva (Switzerland) - Training Course Fees: 6050 € Euro

Introduction

This program is designed to enhance the capabilities of General Managers in Financial and Administrative Affairs by strengthening their skills in financial planning, budgeting, cost control, compliance, and administrative operations management.

It focuses on practical approaches to improving financial performance, optimizing resources, and aligning administrative processes with organizational goals. The training combines case studies and real-world applications to build strong technical and analytical skills.

By the end of the program, participants will be able to manage financial and administrative functions more effectively and support sustainable organizational performance.

Target Audience

- General Managers of Financial and Administrative Affairs
- Senior executives responsible for finance and administration functions
- Finance and accounting managers seeking advanced technical expertise
- Administrative managers aiming to strengthen operational efficiency
- Professionals involved in financial planning, budgeting, and cost control
- Decision-makers responsible for aligning financial and administrative strategies
- Managers seeking to enhance analytical and strategic management capabilities
- Individuals responsible for organizational performance and resource optimization
