Barcelona (Spain)*

Training Course: Financial Analysis, Planning, and Control

Training Course code: FI234662 From: 21 - 25 September 2026 Venue: Barcelona (Spain) - Training Course Fees: 5775 € Euro

Introduction

The question of how to analyze a company's financials as well as how to secure effective planning and control has proven critical to various stakeholders, and yet controversial.

This course provides an insight into the key elements of financial analysis, planning, and control, that will allow participants to improve their financial analysis skills, be able to ask the relevant financial questions, and assess the real risks facing organizations and shareholders.

Furthermore, participants will feel more confident in planning, commenting on the performance and financial health of the organization. The ability to analyze the financial and risk aspects of the organizations requires technical knowledge and
